

HOW TO...

MAKE BUBBLES TEXTURE PAPER

YOU'LL NEED

- Some cups and a straw
- Dish liquid
- Papers
- Watercolours or paint diluted in water

WHERE

- Outdoor on the ground or on a picnic table

WHAT TO DO

- Mix water, dish liquid and one colour in a cup
- Make 5 or 6 of them with different colours
- Put them close to each other, then blow with straw slowly, one cup at a time
- Once the bubbles are overflowing in all the cups, lay your paper across the cups to create a design
- Repeat steps above until you like the result
- Make many and once dry, use it to wrap a gift to your friend
