

HOW TO...

MAKE LEAF PEOPLE

YOU'LL NEED

- Many leaves
- Glue
- Sheets of paper
- Things to draw with (pencils, crayons)

WHERE

- Anywhere there are leafy trees in the city, in the backyard, in the field, in the forest

WHAT TO DO

- Go outside and collect some leaves
- Get different types, shapes and colours (fairly dry)
- Glue a leaf onto a sheet of paper as it is the body
- Draw the head, the arms, the feet. Or use other leaves
- Hang your finish work as a collage on a black sheet or put them in frames and hang them on the wall
