

HOW TO...

SNOW BOWLING

YOU'LL NEED

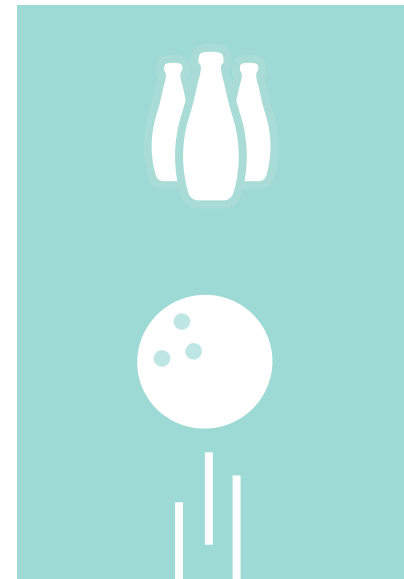

- 5 plastic bottles (500ml, 16 oz)

WHERE

- Anywhere there's snow
- You only need a small, flat area

WHAT TO DO

- Create a large snowball
- Make the ball as round as possible
- Set up the bottles together, just like the pins in a bowling alley
- Agree where you're going to stand and bowl the snowball at the bottles
